

Fires Frequent As Warning Issued On Local Hazards

Fire Near Here Believed To
Have Been Set; Big
Burn Near Club

A fire, believed to have been incendiary in origin, Sunday evening at 9:30 o'clock swept through more than half an acre of brush and dry grass on the hill north-west of the old high school building before it was brought under control.

Lack of wind prevented a disastrous fire, in the opinion of Fire Chief N. F. Dolley, who said it was more than probable the fire was deliberately set.

The equipment and firemen from the Truckee Volunteer Fire Department and the suppression crews and equipment from the forest service soon brought the flames under control and prevented a spread of the fire which was close to heavy timber and not far from the edge of Truckee.

15 Acres Burned
The biggest fire of the current season burned over 15 acres of dry grass across the Truckee River from the San Francisco Flycasters Club Friday evening at 5 o'clock.

A hastily recruited crew of fire fighters assisted the Truckee Forest Service suppression crew in controlling the flames. Henry Toccalini said the fire was undoubtedly caused by fuel sparks from a train passing the area.

Squaw Valley Fire
An incipient fire near Tower 20 in Squaw Valley Monday night was quickly controlled by the local suppression crew assisted by volunteers from the lodge. It is believed that a cigarette dropped carelessly from the chair lift may have caused the small blaze.

Continued warning are being issued by the forest service as well as the local fire department to be more than careful with fires this year as the grass and brush are tinder dry and with prevailing winds, disaster could easily result.

A special warning was given parents to see to it that children are not permitted to have matches. A number of fires have been caused by children, unaware of the dangers, playing with matches in the woods.

DONNER LAKE NOW HAS FIRE DEPARTMENT

Kenneth Hathaway, coordinator for Civil and Disaster Defense in Nevada County, reports a new volunteer fire department is being organized—the Donner Lake Volunteer Fire Department.

This organization has filed in incorporation paper with the state and expects their return within a few weeks. Permanent organization has been effected. The boundaries are about the same as the Donner Lake Utility District, taking in the north, south and west sides of the lake.

SWIM SCHEDULE IS PREPARED AT LAKE

The swimming program schedule as outlined by Mrs. Fred Deley of Truckee for the Tahoma, Kings Beach, Tahoe City district is as follows:

Intermediate and life saving, Tahoma at 8:15; Tahoe City, 8:30 a.m.

Beginners, 8 years and older, Tahoma, 9:45; Tahoe City, 10 a.m.

Beginners, 6 to 7 years, Tahoma, 10:45; Tahoe City, 11 a.m.

The instruction in swimming for this district starts July 24, Wednesday morning. The Truckee program will end the previous day, July 23.

The classes will be held at Kings Beach in the same location as previous years and the pickup of the children will be held along the way at the same points of school stops as in the winter.

Official Visitor To Be At Meet Of Lodge Here

An important meeting of the Naomi Rebekah Lodge No. 2 will be held July 24, which all members are asked to attend. Mrs. Rex Reid, noble grand, presided at the July 10 session when Hazel Brown, the new district deputy president from Grass Valley was an official visitor, accompanied by other members of her lodge.

The refreshment committee was composed of Mesdames R. Gross, M. Avila and D. Horman.

INTER-CITY MEET OF ROTARIANS PLANNED

Plans for a four-city meeting with Loyalton, Brockway, Tahoe City and Truckee gathering at Donner Lake Lodge August 5 were made at Monday's meeting of the local Rotary Club.

Guest speaker for the evening will be Juan Ulep, a Rotary Foundation exchange student from the Philippines. The program chairman Monday was Carroll Maynard with an appropriate forest service movie. Richard Swanson presided.

Inducted as new members were Bruno G. Bellotti, Carroll Z. Smith and Gerald D. Waters.

Charges Dropped Against Gibbons & Reed By D. A.

After investigating charges brought against Gibbons & Reed, Utah construction contractors, recently cited by the California Highway Patrol for operating heavy equipment on the highway without licenses, District Attorney Harold Berliner has asked that the charges be dropped.

The district attorney said he could find no precedent for continuing the action. The case was scheduled for hearing before Judge F. W. Wilson yesterday.

The company, it was learned, paid the fees and penalties under protest, and will now be required to bring action to recover the large amount of money involved.

Additional citations, one against the company for permitting an unlicensed truck driver to operate without a proper license and the other against the driver, Douglas Hutton of Truckee for not having a license, will be prosecuted.

Four Men Missing

Four men are believed lost in Lake Tahoe after hours of air and boat search last night failed to turn up a trace of the boat in which they left Tahoe Village at noon yesterday.

In the 14-foot boat were Robert and Joseph Martin, brothers, of Tahoe Village; Earl Stephens of Chico, and Linden Bucklin of Glendora.

THREE ACCIDENTS IN AREA ARE REPORTED

Despite the great volume of traffic which jammed the highways in this area during the weekend, only three mishaps occurred.

Sgt. Frank Snyder reports his office of the California Highway Patrol cited Norman Weber, 18, Tahoe Valley, when his car went off State Route 28 two miles from Tahoe City Sunday at 1:05 a.m. Weber and his passenger, Martin Pattengale, 16, of Camp Richardson, were both taken to the Tahoe Forest Hospital for treatment.

Donald Raymond Hooper, 17, Stockton, employed by the Rett Company, was cited for driving without a license and the company was cited for permitting him to drive, after his vehicle ran off a county road back of Hirschdale and was wrecked. The driver suffered an injured knee.

Walter Lee Boatwright of Marysville was injured when his car went off the highway a mile east of Truckee. He told investigating officers he was blinded by oncoming light.

State College Courses Are Opened In Tahoe

The Lake Tahoe session of Sacramento State College opened Monday in the Tahoe City Elementary School in Tahoe City.

Courses are offered in anthropology and the study of Indian life, acting and drama production and art and art education.

Registrations were accepted the opening day and students may sign up through August 19. One unit of college credit will be given for each week of attendance.

There will be no dormitories, college officials said, and students must provide their own sleeping accommodations.

TWO NEW HOMES IN GATEWAY PARK AREA

Two houses are being built in Gateway Park, with Mr. and Mrs. Harry Digesti starting this week on their property near the Vind Brothers, and I. Firpo homes, and Mr. and Mrs. John Waller, who are located across the road from the Earl Stices.

At Kalleg Place

SODA SPRINGS—A group from Richmond, were at the George Kalleg place at Kingvale, last week, including Mr. and Mrs. Marvin Ludy and family, Mr. and Mrs. Same Cortese, Mr. and Mrs. Russell E. Scott and family who have been entertaining their parents, the Russell S. Scotts, Barbara and Robert Scott from Madison, Kan.

The Kallegs recently came from their home at San Francisco.

Guests Here—Mr. and Mrs. Robert Leamon had as their guests last weekend, Mr. and Mrs. Charles Walker, Howard Leamon and Joan Bullock all of Sacramento.

No Progress Made In Effort To Gain Land For Olympics

Negotiations Break Down
As Suit Prepared To
Obtain Land

Despite a stalemate in negotiations between the California Olympic Commission and Mr. and Mrs. Wayne Poulsen over land required at Squaw Valley for constructing facilities for the 1960 Winter Olympic Games, work is expected to start next week on one of the major projects.

The construction firm which was awarded the contract for erecting the ski lift up Papoose Mountain, is currently building the towers at its Spokane, Wash., plant and will have them hauled in for the local job within a short time.

In the meantime, planners are going ahead with work on the proposed bobsled run, but whether actual construction can be started this summer is dependent upon reaching an agreement with the land owners or the outcome of condemnation proceedings which have been started by the state to obtain the land needed.

H. D. Thoreau, executive secretary for the commission met with forest service officials, Poulsen and Alexander Cushing at Squaw Valley Monday in an effort to iron out some of the problems. Only a little progress was made.

Thoreau said that Poulsen is adamant in his request that certain restrictions be placed on land which he proposes to lease to the state. The point of appraising the land asked by the state is also a point in issue.

Poulsen has demanded that the state as well as he be bound by the figures arrived at by appraisers. Thoreau said that the state cannot be restricted under the law to this arrangement, according to legal advice.

Taxes In County Expected To Be Up

There will certainly be no decrease in Nevada County taxes for the coming fiscal year and very likely a substantial increase will be necessary.

This was the prediction of Board Chairman H. G. Loehr following the supervisors study of budget items which ended this week.

"With rising costs and increased demands," Loehr said, "there is no chance to trim current costs of county government."

The tentatively approved budget showed an increase of \$114,670.92 over last year's expenditures, with the largest jumps being in primary and secondary road maintenance. The welfare budget calling for \$1,367,796 was approved, with reimbursements expected to bring the cost to the county down to \$1,764,464.84.

The board will set the tax rate in the near future.

25 Square Dance Clubs Represented At Meet

Square dancers from 25 clubs and nearly as many communities in California and Nevada attended the July Jamboree at the Tahoe-Truckee High School last Sunday afternoon and evening.

Featured at the festival were 10 callers from all over the Sierra Nevada region. Each of the callers presented two of his favorite square dances during the afternoon session.

The Near and Far Folk Dance Club of Reno presented an exhibition dance native to Austria called the Hof Brau Haus Laender. The group was dressed in authentic Austrian costumes.

The evening program was devoted to dancers' requests.

Over 100 of the dancers and spectators adjourned to Donner State Park for an informal picnic supper during the intermission.

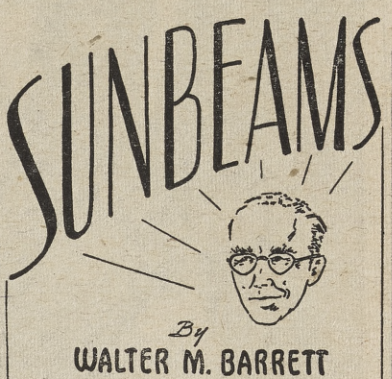

While most of the people attending the festival were square dancers residing in the Sierra region, many of the visitors were tourists who added the dance to their vacation activities.

During the festival weekend, the Donners dancers had more than 30 guests at their potluck supper and dance on Friday evening.

The local group will hold their weekly dance party tomorrow at the Veterans' Building at 8 p.m.

Briggs Move—

Mr. and Mrs. Robert Briggs, former local residents have moved from Woodland to Grossmont.

WALTER M. BARRETT

This area is definitely entering one of its most critical fire seasons and the U.S. Forest Service has issued repeated warnings to frequenters of the forests to use more than usual care in preventing fires. More people are in the area and the grass and brush is exceedingly dry and would ignite from a spark. Despite the many warnings, it is a common sight to see a motorist driving along the highway flipping a burning cigarette out the window of his car. The wind caused by other passing vehicles sends the cigarette into the dry grass along the road and this easily could result in an uncontrollable conflagration such as swept over the Boca area a few years back. Let's all be just a little more careful than usual and prevent a major fire in the district.

Outboard Races Draws Big Crowd

Sacramento outboard racing drivers Frank (Red) Geries, George Kennedy and Julie Herrick Sunday captured first place trophies in a regatta conducted by the Northern California Outboard Association on Donner Lake.

Geries placed first in the B runabout event and Kennedy in the class C racing runabout contest. Miss Herrick won the B stock hydroplane race.

C service hydro—1, Ward Angille, Daly City; 2, Yorlo Aoki, Woodland; 3, Ed Hawtrey, Sacramento.

F racing hydro—1, Frank Signorello, San Francisco; 2, Al Brooks, Jr., Stockton; 3, Buzz Miller, Stockton.

B racing hydro—1, Bob Clement, Modesto; 2, LaVere Brown, Salinas; 3, Orville Herrick, Sacramento.

D utility runabout—1, Gen Erdman, Modesto; 2, Dick Hobbs, Oakland; 3, Ernest Guiducci, Napa.

C service runabout—1, Aoki; 2, Bob Ziemer, Richmond; 3, Kennedy.

B stock hydro—1, Miss Herrick; 2, Bob Thompson, Sacramento; 3, Sam Coleman, San Francisco.

C racing hydro—1, Art Pierre, Stockton; 2, Angille; 3, Steve Gotelli, San Francisco.

F racing runabout—1, Signorello; 2, Brooks; 3, Bus-Tuthill, Orinda.

B racing runabout—1, Geries; 2, Pop Zimmerman, Sacramento; 3, Clement.

C racing runabout—1, Kennedy; 2, Les Morton, Woodland; 3, Lon Stevens, Oakland.

152 TAKE PART IN LOCAL SWIM CLASS

The summer swimming instruction for the Truckee, Donner Lake and Donner Summit children which will conclude July 23 has been given to 152 pupils in this area by Dan Holub, instructor.

Beginners of the under 8 years age group has 51 children registered while beginners over 8 years of age there are 64 pupils. Thirty-seven have been registered in the advanced and intermediate groups.

HURT BY CAR DOOR

Deborah, small daughter of Mr. and Mrs. William Barrett was treated at the local hospital July 15 after her neck had caught in a car window and was released after treatment.

SHOTS SELF

Ray Cochran, 45, of Hirschdale, accidentally shot himself in the left lower leg last Saturday while practicing shooting at Boca Reservoir. He was treated at Tahoe Forest Hospital.

Held On Check Charge

AUBURN—H. C. Odell of Kings Beach is held at the Placer County jail in lieu of \$2500 bail set for his release by Judge Harry Harrison of Lake Tahoe on a charge of issuing a check without sufficient funds.

The complaint was sworn to by Charles Templeton.

From Valley

Mr. and Mrs. Valerio Arraiz of Roseville are living here for the season.

Donner Museum Is Assured With Knight Signature

\$200,000 Appropriation Is
Secured To Construct
New Center

Gov. Goodwin J. Knight has signed Senate Bill 2264 by Senator Harold T. Johnson of Roseville providing for the construction and operation of the Donner State Memorial Park Museum.

The bill provides for an appropriation of \$200,000, or as much thereof as required, to construct the exhibits building which will be operated by the department of beaches and parks as an interpretative center, housing relics and historical pieces.

The law goes into effect on September 11 and it is anticipated that work on the structure can be started early next year, adding materially to the assets of the community.

This was the third time the bill to provide the museum has been introduced. In the last session it called for \$150,000 but was juggled around during the course of the session and came out for land acquisition at Donner Park. Previously it died in an omnibus bill before it reached the desk of Governor Knight.

The governor's signature on the measure brings to a close a long campaign by local interests as well as the Nevada County Historical Society and others to obtain this museum and the action of Governor Knight and Senator Johnson will be fully appreciated.

Study Admitting Reds To Olympics

Political implications are entering the prospects for the 1960 Winter Olympic games.

The U. S. has been told, according to Bill Conlin in the Sacramento Union, that it can't have the games unless it agrees within the next two months to admit the athletes from Red China and other non-recognized countries.

Prentice Cobb Hale, Jr., president of the California Olympics Organizing Committee, conceded that no arrangements had been made with the state department on inviting teams from Communist China and other iron curtain countries.

"I'm pretty confident something can be worked out," Hale is quoted as saying. "We plan to send a man to Washington late this month to see what can be done."

The ultimatum on admission of all teams came from the International Olympic Committee, which met recently at Evian, France. It wanted assurances from the California committee before the next international meeting scheduled at Sofia, Bulgaria, September 15.

Avery Brundage, who represented the U. S. at the meeting, said he must assume the Squaw Valley sponsors would "get the matter adjusted."

"It's a fundamental Olympic principle," he said, "that all athletes are recognized without regard to race or politics."

Truckee Man Fined As Reckless Driver In Reno

RENO—Spencer A. Richards of Truckee, was cited for reckless driving July 11 after other motorists complained he narrowly missed their autos.

The 36-year-old truck driver was stopped and placed under arrest at the intersection of First and Bell streets. He pleaded guilty to the charge in municipal court and was fined \$50.

James Lyons, a passenger in his car, was booked for being drunk in an auto.

ADDED BENEFITS

SACRAMENTO (CNS)—A bill increasing weekly benefits under the state's unemployment insurance program from \$33 to \$40 a week has been signed into law by Gov. Goodwin J. Knight.

Note Date

Mr. and Mrs. Harold Langille and the Robert Leamons were in Tahoe Valley Sunday evening at the home of Mr. and Mrs. James Leamon. The latter couple celebrated their wedding date at that time.

Thomas Home—Rex Thomas, Truckee jeweler, has returned home after undergoing tests and treatment at Weimar Sanatorium.

Gain In Travel Is Reported Despite Road Work Here

Construction work on Highway 40 apparently has not affected the volume of travel flowing into California via Truckee.

The June report from the department of agriculture shows that traffic has not only been maintained but actually has increased as compared with June, 1956.

Last month 61,521 cars were checked at the local quarantine station compared to 60,888 for the same month in 1956. The count did not include 3940 trucks and 972 buses.

The June travel was nearly double that of May, the report indicates.

At Meyers on Highway 50, a gain was also recorded. There were 23,367 cars checked there as compared to 22,331 for June, 1956.

Truckee was in second place as a port of entry, being exceeded only by Yermo in southern California.

Pet Killed

"Fuzzy", the tiny dog belonging to the E. B. Doolittle family at Donner Lake, was brutally killed last night, apparently by a pack of vicious stray dogs. The body of the little dog was found near the Doolittle home and it was virtually ripped to bits.

Dog owners are again warned to take steps to prevent this sort of thing before a small child becomes a victim.

FOUR BABIES BORN AT LOCAL HOSPITAL

Kathleen Nell, daughter of Mr. and Mrs. Michael Briscoe of Kings Beach made her debut on July 4 in Tahoe Forest Hospital. Her arrival weight was only four pounds, 14 1/2 ounces.

Three boys also arrived at the local hospital in July, the first was Ricky Dean on July 3, weighing six pounds, 14 ounces. He is the son of Mr. and Mrs. William Barrett of Truckee.

Mr. and Mrs. Carl Stephen Kolos of Truckee welcomed a son on July 11. The young man weighed six pounds, 10 ounces on arrival and has been named David John. Mr. and Mrs. Daryl DeWalt of Tahoe City welcomed their son, Steven Dee on July 15. Steven weighed six pounds eight and one-half ounces upon arrival.

Art Frodenberg of Tahoe City is a proud grandfather of the DeWalt boy.

BIBLE SCHOOL WILL START AUGUST 22

The committee on education of the Community Methodist Church met last Thursday and set the date for the annual Bible School for August 22. Everyone interested in participating, either teaching or assisting, is asked to contact Mrs. Wilbur Glenn or Rev. Aubrey Clark.

WIFE OF FORMER JUDGE SUCCUMBS

Funeral services were held at Grass Valley Monday for Mrs. Helen Mott Jones, 83, widow of George L. Jones who had been superior court judge of Nevada County.

The deceased, a native of Nevada City, died Friday at Sacramento. Survivors are two daughters, Helen Jones Houston of San Francisco and Miss Nancy Mott Jones of Nevada City.

SIERRA COLLEGE TO LEARN COSTS SOON

Sierra College trustees will get the estimate of Architect Gordon Stafford next Tuesday, July 23, on the cost of the of the proposed Sierra College building and moving program.

The board will consider his estimates until their August 13 meeting, when they will set the amount of a bond issue to be requested of voters on October 18.

Also under consideration next Tuesday is a proposal to appoint a site selection committee of 25 persons, via from meach area in the county-wide district and Nevada and El Dorado County portions, which was discussed at last week's meeting in Auburn.

A budget hearing for the public on proposed expenditures has been set for August 6 at 8 p.m. at the Administration Building in Auburn.

Mile High Races At Tahoe Draws Big List Of Entries

Thousands Expected To See
Speedy Boats Race
This Weekend

More than 100,000 persons are expected to be on hand for the fifth annual running of the Mapes Gold Cup race for Unlimited hydroplanes at Lake Tahoe Saturday and Sunday.

This year's race, part of the classic Lake Tahoe Mile High Regatta, will be held at the Tahoe City site on Lake Tahoe. Already indicated as entries are 16 of the finest hydroplanes in the world.

The boats include the 1956 world champion Shanty I, and the Maverick, both owned by William Waggoner, Jr.; the Gale V and the Gale VI, owned by Joe Schoenith; the Breathless I, Breathless II, and Muv A Long, all three owned by J. Philip Murphy; the Hawaii Kai, owned by the Edgar Kaiser crew; Miss U.S., owned by George Simons; Miss Wahoo, owned by Bill Boeing, Jr.; Miss Thriftway and Miss Thriftway Too, owned by Willard Rhodes; Miss Seattle, owned by Rootstertails, Inc.; Miss Bardahl, owned by Ore Bardahl; Miss Supertest, owned by James Thompson; and the Adios, owned by Stan Adams and George Gilham.

The big hydros began arriving at Lake Tahoe on Monday, in preparation for the races. They are traveling from such faraway points as Canada, Michigan, Washington and Oregon.

Large Field
The large field of entries makes the Lake Tahoe race second only in size to the Gold Cup race held in Seattle during that city's annual Seafair week.

Chairman for the Gold Cup this year is Charles W. Mapes, Jr., of Reno, the donor of the trophy. Stanley Dollar, Jr., is chairman of the races while Bill Stead is owners and drivers representative and Fred Main of Tahoe City is facilities chairman.

With the race assuming the tremendous proportions of the largest single sporting event to be staged in the Far West, this year a Lake Tahoe Gold Cup Association was formed to sponsor and perpetuate the race. President of the association is Herb Obexer of Lake Tahoe.

5000 In Stands
Grandstands to seat 5000 spectators are being erected on the shoreline at Tahoe City and the natural facilities of the shoreline will accommodate upwards of 100,000 viewers.

The Lake Tahoe site for the Mile High Regatta was chosen five years ago after a world-wide survey of all other bodies of water at that altitude was taken. The unique conditions of high altitude and surface of the lake add an extra test to the skill of the drivers of the fast boats that will hit 150 m.p.h. on the straightaway.

NINE PATROLMEN TO WORK TAHOE RACES

Nine additional patrolmen have been assigned to the North Lake Tahoe area where the Mile High Regatta will be staged Saturday and Sunday, July 20 and 21, Sgt. Frank Snyder of the California Highway Patrol announced.

The local squad will be on the regular beats, with the nine additional men brought in from other areas during the races. An anticipated crowd of nearly 100,000 people is expected, according to regatta officials.

Sunshine Girls Planning Candy Sale For Uniforms

Donner Council No. 13, Pythian Sunshine Girls met Wednesday evening with Karen Smart presiding in the absence of Sheri Curran.

Nona Rae Coffey read her report of the grand council proceeding held in Bakersfield July 13-14. She was accompanied to the convocation by Shirley Hall and Pearl Heller, royal advisor. Nona Rae took active part in the committee work.

The local girls will enter into a home-made candy selling contest to raise money for new drill dresses.

TAHOE MATRON DIES AT RENO HOSPITAL

Mrs. Anna Mary Robinson, of Tahoe City, died at a Reno hospital in her 88th year.

Mrs. Robinson was a native of Washington, N.J., and is survived by her husband, George Robinson of Tahoe City.

Funeral services were held Monday afternoon with Elder Claude Miller of the Seventh-day Adventist Church officiating. Burial was in Mountain View Cemetery.

Camp Pahatsi

The second session of summer camp at Pahatsi culminated in a court of honor held Saturday, July 13 at which Scouts of the council qualified for awards. Troop 21, under the leadership of Scoutmaster Robert P. Griggs.

NATIONAL FOREST TIMBER FOR SALE
Oral auction bids will be received by the Forest Supervisors, U. S. Forest Service, Nevada City, California, beginning at 2:00 p. m., August 5, 1957, for timber offered for sale in the Juniper Unit, Tahoe National Forest. Each bidder to participate in the oral auction, must submit a sealed bid to the above address prior to the time set for the beginning of the oral auction. A certified or cashier's check, bank draft or money order in the amount of \$5,000.00 must accompany each bid to be applied on the purchase price, refunded or retained in whole or in part for actual or liquidated damages in accordance with the provisions of the bid. Sealed bids will be opened at 2:00 p. m. and those which meet the requirements in the advertisement will be considered the equivalent of an oral bid and will be posted for the information of all bidders. The offering is for all live and recently killed (sound sapwood) timber, marked or designated for cutting and removal prior to December 15, 1958, estimated to be approximately 1,570 M feet b. m. of ponderosa pine, western white pine, lodgepole pine, white fir, and red fir, on an area embracing about 480 acres within Sections 2 and 12, T. 17 N., R. 17 E., Section 34, T. 18 N., R. 17 E., and Sections 18 and 30, T. 17 N., R. 18 E., M.D.M. In addition, there is an estimated volume of older-dead (unsound sapwood) timber on the area, the cutting and removal of which will be required. The minimum acceptable bid price for the live and recently-killed timber is: For ponderosa pine \$27.30 per M feet b.m. which includes a base rate of \$11.40 for stumpage plus an additional \$13.15 for stumpage, a required deposit of \$1.75 for

CITY OF HOPE AWARD—Gov. Goodwin J. Knight receives a plaque from Victor M. Carter, City of Hope president, during the Medical Center's national convention in Los Angeles. The award—a map of the United States in silver with California highlighted in gold—was given Knight before more than 100 delegates from 23 states and 100 cities for his assistance to the City of Hope. In turn, Knight lauded the Medical Center for its humanitarian work, pointing out that no patient ever pays at the free, nonsectarian City of Hope whose doors are open to all, regardless of race, creed or national origin.

OILING PROGRAM IS STARTED ON ROADS
The 1957-1958 fiscal year maintenance oiling program will commence this week and continue until the end of August in the 11 counties that comprise District III, District Engineer Alan S. Hart announced in Marysville today. The program will affect 127 miles of highway surface and 47 miles of highway shoulders at an approximate cost of \$190,991. During the work, the sections under treatment will be subject to traffic control normal for this type of project and delays will be very short, Hart said. In portions of Placer, Nevada, Sierra and El Dorado Counties work in the following locations will be done: Sand seal on Highway U.S. 40 from Nevada County line near Emigrant Gap for 1.25 miles east, from the Nevada County line near Soda Springs for 3.7 miles east, from 3.9 miles east of Forebay in Placer County to 6.7 miles east, and from the Placer County line near Cisco for 6.68 miles east; portions of Highways 49 and 89 will be ripped up, mixed with binding material and replaced between Bassett's and Sattley, from 1.75 miles north of the Sierra-Nevada County line to 5.15 miles north, from Sattley to Calpine, and from Sierraville to Loyalton on the newly adopted State Route. **PATRONIZE LOCAL STORES**

NEWS NOTES FROM TAHOE

By Naomi McLane
(Tahoe City, Box 711. Ph. 246-J)

Boat Races

Looking like mammoth health cookies from Mars, the big hydroplanes have been coming in readying themselves for the trial runs this Friday. Elsewhere in the Sierra Sun you may read about the different boats and their owners (or is it vice versa?) but if the men in your family are like those in ours there isn't one who can go on what he is doing when those lordly-sounding motors rev up. It's sort of old stuff now but even so, our plantation can be cleared in nothing flat the second it sounds as if one of these giants may be slipping out for practice. At any rate it ought to be a memorable Gold Cup contest.

Guests Of Club

A large group of very young women were the guests of the Women's Club of Tahoe last week

at the Lake Forest home of Mrs. A. Snyder. An outdoor picnic barbecue was given the Brownies and the Girl Scouts and their leaders and was obviously enjoyed by guests and hostesses alike. The main serving table was beautifully decorated with wild flowers which Mrs. Bud Watson had brought down early in the morning to insure their freshness. A cake baked by Leonard Bury honored the Brownies especially with their own emblem emblazoned in frosting on it. The committee assisting Mrs. Snyder in arrangements for the picnic consisted of Mrs. Malcolm Fox and Mrs. Enrico Giannini. Among the Scouts attending were: Pam and Penny Clarke, Jayne Shontz, Danelle Pomin, Kim Turner, Peggy Yeager, Karen Henry, MaryAnne Spitsen, Vicki Jo Rich, Sandy Fellows, Erica McLane, Janis Giannini and Patsy Cooke. Bernice Giannini is Scout leader for this group. Visiting guests were Kathy Bray and Beryl Lou Rowell. Among the Brownies who were guests at the picnic were: Joan Palmer, Rosemary Wray, Pamela Bradley, Joyce Andrews,

Karen McBride, Steffie Snyder, Susie Wright, Chrissie Litke, Vicki Jones and Darlinda Stark. Mrs. Dave McBride and Mrs. John Anderson are Brownie leaders. Karen Grahm also helped with the girls. Mrs. William Hunter represented the club when she presented a surprise gift to President Mrs. Don Snyder. The gift was a twin George Washington patterned bedspreads for the Snyder's new home.

Martha Snyder wants to remind members of the next meeting to be at 12:30. Reservations must be in held August 1 at the Trade Winds by July 30. Make them with either Mrs. A. A. Snyder or Mrs. Ernest Le Pire.

Granddaughter

Mr. and Mrs. Forrest Hall of Tacoma are proudly announcing the birth of a second granddaughter, born June 12, 1957. Little Sharon LeAnne is the daughter of Mr. and Mrs. C. L. Watkins of southern California. Mrs. Watkins was Suzanne Hall who spent almost all of girlhood summers here.

Flies South

Mrs. J. H. Taylor of the Methodist Campgrounds in Lake Forest flew from Reno to Los Angeles

this week to drive her sister, Mrs. F. H. Dixon, up here for a two or three week visit. Mrs. Dixon has not been well and it is hoped the mountain air will help her recuperate. Mrs. Taylor's nephew, Allen Senesac, is here for the summer after military service in Greenland. He has recently bought property in the Terrace Tract.

Tahoe Visitors

Recent visitors in the Bob Hewitt home in Tahoe Park were Bob's sister and her family from Tacoma, Wash., Annell and Mike Davies and their two children, Penny and Sally.

Wins Meet

This is late and may have been reported earlier but Dave McBride is justifiably proud that Jeff Schmitt took first place in the B Division of the Fourth of July ski meet at Squaw Valley. Schmitt lives near Ward Creek and is working this season with the McBride Tahoe Tree Company and Nursery.

Visits Sister

Mr. and Mrs. Sylvester Freiling are visiting Mr. and Mrs. Enrico Giannini for a few days this week from San Francisco. Mrs. Freiling is Rick's sister.

At Wright Home

Mr. and Mrs. Alan Morse and their daughter, Deana and Barbara, from Palo Alto will be weekend guests of Mrs. Elaine Wright and her family. Morses are among the many to come for the Gold Cup races.

Returns Home

Mrs. James Day and her daughters, Connie and Roxanne have just returned from a visit to Las Vegas to visit grandparents there. Doris' father had been ill and she went down t help out for several days.

Many Guests

Mrs. George Day has been having quite busy days with guests recently. An old friend dropped in from Oregon the other day with her husband, Mr. and Mrs. Don Baker. Over the weekend George's mother, Mrs. Addie May Day, and his brother, Ben, came up from Sacramento. An aunt visited earlier from the valley, Mrs. John Waring.

Return Dishes

Ora Day also would like to remind several forgetful women about some dishes that she still has left over from the PTA scholarship potluck supper held shortly before school was out. A berry spoon, two teaspoons, two clear pyrex pie dishes and one opaque pyrex pie dish, and a large green mixing bowl are still unclaimed. Does this jog anyone's memory? If it does get in touch with Ora Day at JU 3-3330 to claim your own.

Back To Alaska

It is with real sadness that I write that Paul and Naomi Horvath and their children, Steve and Diane, return next week to their Alaskan home near Anchorage. The lake community will miss this family very much and we wish them the very best of all good things for the future.

Rotary Club

Rotary President Warren Porter started off the new year for Rotary at a luncheon meeting at the Tahoe Inn Tuesday noon. An equal number of visitors and members were present—52 in all. The Rev. R. A. Ashbee spoke telling of

Tahoe Items

Mrs. William Reinhardt whose home is at Pasadena is spending the season at Brockway.

Frank W. L. James who has been at Inglewood has an address change to Tahoe Vista.

Mr. and Mrs. C. M. Bromagem and children of Sacramento are staying at their Homewood place until early fall.

Victor H. Williams, of Tahoe City and Rosie Wolard of Visalia applied for a marriage license at Reno.

Mr. and Mrs. Douglas Tibbetts, Woodland publishers, have been visiting at Lake Tahoe.

SIGNS BILL

SACRAMENTO (CNS). — Gov. Goodwin J. Knight has signed into law AB 607 by Assemblyman Francis C. Lindsay (R-Loomis) which makes American River development part of the state water plan and a unit of the Central Valley Project.

The largest known specimens of the weeping pine from Mexico are at the Institute of Forest Genetics near Placerville.

the different youth groups and projects in general of the Bishop Noel Porter Outdoor Camp.

LIGHTNING and WATER METERS

You are in greater danger of being struck by lightning than you are of being overcharged by a water meter.
If you receive a high water bill the first thing to look for is waste. Possibly you have used more water than you thought, naturally resulting in a higher bill.
If you can't account for your usage or waste, ask the District to re-read your meter.
Occasional errors do occur in reading a meter. If read high or low one month the reading would be correspondingly low or high the next month and thus the billing would correct itself.
On re-reading, if indications are that the former reading was correct, then get a plumber on the job. There is nothing physically possible to make a meter run correct one month and fast the next except the water that goes through it.

TIMELY TIPS

by MRS. MARIE HENRY

Some packaged foods become rancid and lose flavor when stored for long periods. Use and replace foods from your reserve stock rather than keep them separate from your daily supplies. Check packaged foods regularly to make sure they are not being attacked by rodents or insects.

Hubert Hensley of Donner Summit was guest of honor at a delightful trout barbecue held at Donner Monument State Park on Wednesday evening last, hosted by Jackie Murray and Mr. and Mrs. Byron Miller of Truckee. Other guests included Sharkie Foster, Billy Campbell of Truckee and Eleanor Swanson of Tahoe City. Near tragedy was averted when the plastic top from a bottle of champagne completely shattered one lens of Foster's glasses, the

broken glass fortunately missing his eye.

Mr. and Mrs. William Seward of Sacramento enjoyed a five-day vacation stay at the Rob Watson's summer camp near the Highlands recently. Mrs. Seward is Mrs. Watson's sister. While here the visitors observed their fifth wedding anniversary with a dinner at Sunnyside Lodge on the Fourth.

Frank Daft of Pineland returned home from Washoe Medical Center in Reno on Friday last. He received electric therapy while there and must wear a brace for some time.

A party of rugged Tahoeites on Saturday manned two jeeps for a trip up Bumpy Rubicon road to famous old Rubicon Springs. The group included Mrs. Annie Soll and her pet dachshund "Adolph," Mr. and Mrs. Ali Sigurdson and son, Sigi, Mr. and Mrs. Norman Dewhurst, Louis Gerkin of Sacramento, Gary Anderson of Pineland and Charlie Cushman of Tahoe. On reaching the rim of the canyon above beautiful Rubicon River, they encountered the same difficulty everyone does who tries to negotiate the trip. While part of the party went on to Buck Island Lake to visit with old-timers, the Victor Wikanders, on foot, the rest of the group explored the old resort and grounds. The Wikanders have enjoyed their remote summer hideaway for many years, even visiting in the dead of winter by skis.

Mr. and Mrs. Sandy Saunders of Sparks visited the Jeannette Mitchell home on Sunday. They were accompanied by Mrs. Saunders' sister, Mrs. M. H. Eldridge of North Abington, Mass.

The A. M. Henrys of Tahoe City Garage are awaiting bids which will determine who will contract to build the new addition and improvements to their garage building in town.

At 1:30 a.m. on Sunday morning the small Volvo belonging to Ewing "Woody" Weber of Gardner Mt., Tahoe Valley, and driven by his son, was wrecked on Dollar Hill. The highway patrol investigated but issued no citation. No one was injured.

Mrs. Sam Goss, who with her husband conducted a reliable upholstering and cabinet business in town, suffered a painful fall last week when she tripped over a loose board in her back yard.

The many friends of George Selkirk family of Pineland are wishing for Mrs. Ida Selkirk, mother of Mr. Selkirk, a speedy recovery from her present illness. She is a patient at Tahoe Forest Hospital in Truckee.

The many friends of veteran fishing guide, Waldo Gross of Lake Forest, are sorry to learn that he is still laid up with a bad leg and unable to conduct his business as usual. Here's hoping Waldo, you'll soon be up and at 'em!

Dr. Clark Burnham of Piedmont, and the Truckee River, planned to leave on Tuesday morning with his wife, Marilyn, children, Dary, Bonny, Dena and Clark, Jr., and Miss Judi Giles, for the family's annual pack trip into the head-quarters of the American River, where they will enjoy four days of camping and fishing.

Mr. and Mrs. Ben Tonini of Morro Bay were recent vacationists at the home of their son and wife, the Bob Toninis of Tahoe City.

Enjoying a vacation of three weeks at the lake are my old friends, Mr. and Mrs. Albert Stevenson, daughter Mrs. Ethel Stevenson and son, Corky, all of Long Beach. They rented the Robert W. Wilson home this season near Dollar Hill, formerly the Powner house, purchased by the Wilsons.

The Walter Gehlerts moved into their new home in Tahoe Park last week.

An estimated 100 jeeps on their annual junket from Georgetown passed through Tahoe City on Sunday on their way to the Crystal Bay Club at North Tahoe. Their progress was orderly, and amusing.

Allyn McLerie will make her Sacramento Music Circus debut next Monday in the musical comedy, Damn Yankees. Allyn will also play in the final two shows of the 1957 season, Silk Stockings and The Pajama Game. Her Broadway show credits include roles in One Touch Of Venus, Where's Charley? and Finian's Rainbow. Music Circus productions open each Monday and play nightly through Sunday. The Pajama Game will play for two weeks.

DIRECTORS WILL BE NOMINATED SOON FOR LAKE CHAMBER

HOMEWOOD — Fred Schultz, president of Lake Tahoe Sierra Chamber of Commerce, has appointed the nominating committee to nominate directors for the 1957-58 year to report to the present directors meeting early in August. The nominating committee is composed of George Kehlet, representing El Dorado County; Fred Gannon, Ormsby County; Gene Empey, Douglas County; Frank Vernon, Washoe County; and Don Huff, representing Placer County. Due to a change of the by-laws, a director will be elected from each post office around Lake Tahoe, and the 19 new directors will select the chamber of commerce president, vice president, secretary and treasurer.

PLANE OVERTURNS IN MISHAP AT LAKE

EMERALD BAY—An amphibious airplane piloted by Wesley Stetson of Concord, Contra Costa County, flipped over in Lake Tahoe here but Stetson escaped with only a dunking and his aircraft was not damaged seriously. The accident occurred July 9 as Stetson came in for a landing on a flight from the bay district to visit his family at their summer home here. He said the hydraulic system apparently failed and caused the wheels to drop. When he hit the water the protruding wheels flipped the craft onto its back. Stetson swam out from the submerged cockpit and climbed onto the plane, where he awaited rescue.

Compromise Liquor Bill Approved By Governor

SACRAMENTO (CNS) — Gov. Goodwin J. Knight has signed into law the bill which would permit holders of alcoholic beverage licenses to make "offers in compromise" rather than shut down operations during suspensions for law violations of 30 days or less. The measure, SB1912 by Senator Charles Brown (Shoshone), would require the offer in compromise to be at least 20 percent of the estimated gross business during the suspension time. It could not be less than \$250 or more than \$2000 and could not occur more than once in an 18-month period.

The above bonds are offered when, as and if issued and received by us and subject to approval of legality by Messrs. Orrick, Dahlquist, Harrington & Sutcliffe, Attorneys, San Francisco, California.

Dated August 15, 1957 Due August 15, 1958-77, incl.

Principal and semi-annual interest (February 15 and August 15) payable at the office of the Treasurer of Placer County in Auburn, California. First coupon (annual) payable August 15, 1958. Coupon bonds in denomination of \$1,000 registerable only as to both principal and interest.

In the opinion of counsel, interest payable by the District upon its bonds is exempt from all present Federal and State of California personal income taxes under existing statutes, regulations and court decisions.

We believe that these bonds are legal investments in California for savings banks, subject to the legal limitations upon the amount of a bank's investment, and are likewise legal investments in California for other funds which may be invested in bonds which are legal investments for savings banks, and are eligible as security for deposits of public moneys in California.

These bonds, issued under the provisions of Division 3, Chapter 17 of the California Education Code, for various school purposes, in the opinion of counsel constitute valid and legally binding obligations of the Tahoe-Truckee Unified School District. The Board of Supervisors of Placer County has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates) without limitation of rate or amount.

AIRPORT GROUP IS NAMED IN COUNTY

NEVADA CITY—A five-man airport commission has been appointed by the Nevada County Board of Supervisors.

Chose to act as commission members to manage the affairs and develop Loma Rica Airport, recently accepted by the county, were: Downey Clinch, Ted Schwartz and Robert Ingram of Grass Valley and Robert Schiffner and Bob Paine of Nevada City.

Two Rear Lamps Are Required On Vehicles

SACRAMENTO (CNS) All motor vehicles, other than motorcycles, will be required to have two, rather than one, rear lamps after January 1, 1958, under terms of a bill signed into law by Gov. Goodwin J. Knight.

The bill, AB3164 by Assemblyman Frank Lanterman permits the lamps to flash to indicate turns and requires them to indicate application of breaks.

STRICTLY STRICKLAND

By Bill Strickland

Saw Loren Wofford for a few minutes the other day. He and his wife had just returned from visiting their son, Bob, in Arizona, and are now visiting their other son, Fred, who is living at Tahoe this summer. Loren, in case you've forgotten, owned and operated Wofford's Motel very successfully for several years before selling it and moving to Fresno. Our natural air conditioning on the Hill must have been one of the reasons for a return visit also, however. We looked at the temperature report for that day. Fresno 105 degrees, Blue Canyon 69 degrees.

Stopped at the Sierra Sun office last week and was told by Mrs.

Barrett that a subscriber was asking where I lived. That they, the subscriber, had known me during my school days in Berkeley. I had to leaf back through a lot of pages of my mind, but we remembered them and certainly enjoyed visiting them. It was Camilla and El Bowers. They've had a summer place on the Truckee near Tahoe City for many years, but we didn't know where, exactly, until this trip.

I see an Oldsmobile sedan touring up and down Highway 40 every now and then. That, of course, means that Tony and Hanna Richter have returned from their European trip. We'll stay by and see them soon, and get the details of their trip from them.

Pete Johnson of Squaw Valley Land & Livestock Co., seems to be doing a land office business with the subdivision. The old rule of supply and demand has caused that property to be very much sought after. The value of lots in their subdivision has doubled in the last few years, and will, in all probability, continue to increase in value in the years to come.

This column has never been of particular value as a public service media before, and may not even now, be offering anything that isn't common knowledge, but just on the chance it might be newsworthy, I'd like to print the no-delay portion of the Highway 40 construction project. This, mind you, just for the benefit of the readers of Strictly Strickland. I understand there a couple dozen now—this is also being printed without asking for a clearance from Ed Jolley, the project superintendent, and John Petersen, the division of highways resident engineer; so, if you see a new face on the Nevada end of the job, you'll know that I climbed too far out on the limb—any hoo, 11 a.m.-11:30 a.m. Road open (lunch), 3:30 p.m.-5 p.m. (change of shift), 8:30 p.m.-9 p.m. (lunch). The above three periods allow a free flow without any delays enroute. How about a slogan for Highway 40 travelers? Like, maybe: No delays longer than 40 * on 40—(*minutes, that is).

Donner Summit Lodge was headquarters again, for the eighth year, of the welfare committee of the Latter Day Saints. About 300 attended this session which started Saturday morning and closed

Truckee Bible Church Holds Meet At Donner

The Truckee Bible Church will be holding services in the Donner Trails Lumber Co. Building just four miles from town. Sunday school for adults and children will meet at 9:45 and church at 11. A Sunday evening Bible study and time of singing will be enjoyed from 7 to 8. The pastor, Rev. Roy S. Rhoades, is affiliated with the Independent Fundamental Churches of America (I.F.C.A.). He acquired his theological training at Dallas Theological Seminary.

Vacation Bible school was completed last Sunday night with the presentation program by the children. Friday evening the teen-times were started with a ball game, cook-out and devotional time. This youth activity is under the direction of Bruce Anderson, quarterback on the Wheaton College football team; Gene Anderson, head of Inter-Varsity Christian Fellowship; Dick Howell, who is active in colored Sunday school work and Bob Howell, who taught among the Puerto Ricans in Chicago. This Saturday the teen-agers will meet in front of the Legion Hall to leave at 6 p.m. for a swimming party, hamburger fry and campfire devotions.

Governor Signs Rabies Bill To Curb Disease

Signature by Gov. Goodwin J. Knight of a bill requiring vaccination of dogs for rabies in areas declared endemic to that dread disease was hailed as a constructive step by California State Chamber Rabies Control Committee Chairman S. V. Christerson.

The measure was supported by the state chamber in the recently concluded legislative session upon recommendation of the statewide rabies control committee which studied the problem for two years. The committee, composed of representatives of groups interested in dogs, medical organizations, industry and agriculture recommend-

with an outdoor luncheon barbecue on Sunday.

Immediately following the departure of the Latter Day Saints, 105 members of the Placer County Jeepsters Club stopped by for dinner as the concluding event on their annual three-day High Sierra Jeep Caravan Tour. D.S.L. was a real busy place as you can see.

Homewood Woman Acts As Attorney In Divorce

AUBURN—Mrs. Marguerite Dudman of Homewood, Lake Tahoe, is acting as her own attorney in a divorce action she filed against Frank L. Dudman on grounds of cruelty.

The complaint filed with the county clerk states she wishes to have her maiden name Marguerite French, restored when the marriage is dissolved.

KINGS BEACH CHURCH

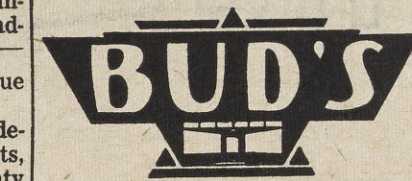

Earl L. Langguth, pastor. Sunday school, 9:45 a.m. Services, 11 a.m. Afternoon services, 5 p.m. Women's Society of Christian Service, Mrs. Lillian Taylor, Tahoe City, president. Meetings first Wednesday of each month.

ed compulsory vaccination of dogs as the best way to protect children and other pets from rabid animals when the disease becomes endemic.

NORTH TAHOE

By JUDGE HARRY CHARRISON

W.S.C.S.

The ladies of the W.S.C.S. of the Kings Beach Community Methodist Church held their regular meeting last Monday evening, July 10, at the lovely home of Mrs. Lilian Taylor, president at Skylandia Lake Forest on their beautiful Lake Tahoe shores. The ladies made plans for the coming year which include a bake sale by some of our good cooks in Kings Beach to be held in August. Among those present were Mrs. Dulcie Brandt, secretary-treasurer; Mrs. Thelma Hughes, Mrs. Eddie Moore, Mrs. May Brown, Miss Anna Blau, Mrs. Pearl Francis, and Mrs. Louise Walter. Miss Anna Blau's sister attended as a guest. Mr. and Mrs. Earl Langguth, pastor, also attended. After the regular meeting, Mrs. Taylor served delightful refreshments. It was one of the most enjoyable meetings for a long time, so they invite all interested to be sure to attend the next which will be announced in this column.

Visitors

John and Ruby O'Connor of Oakland were visitors at their old home on the golf course, now occupied by Sam and Audrey Harrison. It was just a short visit, but we certainly enjoyed having them.

And More

Mr. and Mrs. Harvey Klitzke, Sr., were up with their son and daughter-in-law over the last weekend.

Young Harvey also came with them. He had been staying with his grandparents for awhile, and insists on going back with them for awhile longer. They live in North Hollywood.

Another Family

We have another fine family in our community in the person of John Cary from Marysville, distributor for the Pepsi Cola Company. They have purchased the Gearhart home on the Truckee Shortcut.

Birthday

Florentine Klitzke was guest-of-honor at a party given at the Christmas Tree on Mt. Rose last Saturday night, in honor of her birthday. The whole Klitzke family joined in the celebration. Happy days, Flo.

Weather

Yes, the weather this Sunday morning is beautiful. Eight a.m. with a temperature of 49. During the past week while we listened to the weather reports of extreme heat all over California and Nevada, here we were in the seventies. One morning it was a cool 38 degrees.

A Grand Sight

This is the weekend for the great big regatta at Tahoe City. This Mile High affair grows into greater proportions each year. You will miss a real treat if you don't go, and if you do go don't drive right into town. Leave your car a half mile away and walk. It promises to be a grand sight with all the top boats coming from all corners of the nation.

Special Visitors

Mrs. Gertrude Follendorf, retired administrator of the Shriner's Hospital, with Miss Marguerite Peck, administrator of San Francisco Shriner's Hospital, are visiting Mrs. S. H. Barnum this week at the delightful cabin of Dr. and Mrs. F. C. Maurer on North avenue, Kings Beach. Mrs. Barnum

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent of Schools, Truckee, California, on or before, and no later than 5:00 p.m. on the 8th day of August, 1957, for the contract or contracts to supply furnace oil to the schools of the Tahoe-Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

No bid will be considered unless it is made up on a form provided by the Owner and accompanied by a certified check, cashier's check, or bidder's bond in the amount of One Hundred (\$100.00) Dollars made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

R. E. SMART,

President of the Governing Board,
Tahoe - Truckee Unified School District j18-25-a1

San Francisco has a "daytime population" of more than a million persons.

and the Maurers have been friends of our family for a number of years. They are from the bay area.

Solid Comfort

At last those two beautiful homes out at Incline Beach are just about completed. The H. E. McCoskeys have already moved into theirs, and the Ray Plunketts are just about ready to move into theirs. They really are a credit to the beach, all the modern conveniences you could wish for and we know the lady folks are all enthused with such comfort, and all the space imaginable and the beautiful lake right in front of the homes. And now I hear that the the Johnnie Rayburns of Crystal Bay Club are getting ready to compete with Mac and Ray and see if he can build one as charming as theirs. I think they will.

Perking Up

The Casinos at Crystal Bay are really perking up. The North Shore Club has fine entertainment. The Monte Carlo is venturing into many attractions that will be interesting to all with special nights in the dining room. They are giving a car away on July 25th, so get in there and win. The Crystal Bay Club is having a wonderful assortment of top-notch shows. For information see ads in this issue and each week thereafter, for changes. The Bal Tabarin also has fine shows. Take your pick, huh?

Fire

At 4 a.m. this Monday morning, the fire department under Chief Curly Mason, was at the Sportsman Port, Tahoe Vista, where three people had moved into a cabin and had evidently dropped a cushion against a heater which ignited and could have been a tragedy. Thanks to Charlie Mang who gave the alarm, and thanks again to our fire department. Then at 4:30 a.m. we were awakened by the bomb that was set off in Nevada.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS) — The processes of Democracy are far from perfect, although they have not as yet become so imperfect as to result in a loss of faith in the Democratic way of life.

Sound evidence of this observation can be found in the records

of the 1957 legislature. They are replete with stories of majestic projects begun, but never completed merely because of the Democratic process.

All of which gives a rise to the thought that unless some of the processes are improved, another generation or so may see the end altogether of the wide-open and unrestrained freedoms which the people of this state and nation have nurtured for many, many years.

The thought comes not only from the number of pieces of legislation

introduced in the assembly and senate of California during the session, and the inability of the legislature to handle it expeditiously and intelligently, but also from the general, overall trend of the path pursued, unconsciously perhaps, in the formulation, presentation and enactment of new laws and amendments to old laws which affect the lives of the fourteen million citizens of this state.

No implication is intended here to show that any of California's legislators are crooked, corrupt, or attached to thievery of any nature. Rather, the attempt is to show how the process works and to see whether steps must be taken to correct the process if government as we know it is to survive in the future.

Let us, as an example, say that a special interest, any special interest will do as the pattern is the same, wants a change in a law. First, the paid lobbyist, or legislative advocate as he is now called, contacts his legislator, who may or may not have been the recipient of a campaign contribution at a recent election.

The lobbyist and the legislator discuss the proposed change, determine whether it's feasible to make a try for it; the legislator has a bill drawn up by the legislative counsel who is paid by the people, and then introduces the bill at the beginning of the session.

From then on, it's mostly up to the lobbyist. The bill is referred to a committee, and if the legislator has enough influence with the proper authorities, the bill goes to the "right" committee.

Then the lobbyist works on the committee members, gets enough promises to put the bill on the floor, where his next job, in case there is opposition, is to secure enough votes to pass the measure. If the bill passes one house, most of the process is repeated in the other house. Eventually, the bill gets to the governor's desk, where it may or may not be written into law.

Killing bills is a somewhat similar process, although much easier than getting bills passed, for fewer votes are necessary to bury a measure than to pass one.

Meanwhile, the public has little knowledge concerning the measure, and a legislature, obligated in one way or another, has neither time nor opportunity to view the proposal on its merits as they pertain to the entire state. Result, many measures become law which are neither desirable nor necessary and many which have merit are left at the post.

The procedure seems to be far from healthy insofar as the needs of the people are concerned.

LEE H. APPLE, manager of Truckee branch of Bank of America (left), presents a check for \$200,435.69 in payment for North Tahoe Public Utility District bonds to Joe King, president. Proceeds from the bonds will be used to enlarge treatment plant and pump station. Left to right are T. D. Sutton, vice president; H. E. Brooks, secretary; Apple and King.

crew headquarters, they proceeded to Camptonville where they met Ranger Lynn Horton, a visit was made to a long landing on a government sale at Garden Valley, where skidding and loading was observed.

Next was Downieville where the ranger, Jack Wollfolk, had made arrangements for a tour of the Calda mill and for a loggers lunch at the company canteen. After a late lunch the "Show Me Trip" traveled to Halls ranch where forest service woods work was seen, thence on along Highway 49 making stops to see public campgrounds, large areas of fire destruction and beautiful views of the forest. That night the forest service employees lodged at Pioneer Lodge near Sierra City.

Early the following morning the group traveled to the Sierraville Ranger District where Ranger Carl Scholberg explained the work of that ranger district emphasizing in predatory control, grazing, and the Stead Air Force Survival Training program. About noon time the group arrived at Truckee where Ranger Roy Saarni joined them.

They were then taken to State-line for lunch thence to Stateline look-out, traveling via the lake shore the group then made a visit to the Squaw Valley area where Monte Atwater, winter sports representative, gave a detailed description of the proposed use of the valley for the 1960 Winter Olympics. The "Show Me Trip," which had been enjoyed by all, was then concluded at Truckee.

It's much easier to prevent forest fires than it is to put them out, so be careful with matches, campfires, incinerators and burning tobacco.

Insurance Firm Joins State, National Group

C. Z. Smith, who recently purchased the interests of Mrs. Gertrude Thatcher in the R. N. Little Insurance Agency, announces that his firm has affiliated with the California Association and the National Association of Insurance Agents.

At the same time he revealed that a local chapter, consisting of several agents in the Truckee and Tahoe area, will be formed in the near future to be associated with the state and national organization.

This association sponsors driver training classes, safety campaigns and training conferences making the agent a professional insurance counselor. The association has 2700 member firms in the state and over 32,000 in the nation.

Miss Sandra Trainor To Become Bride At Lake Tahoe Service July 20

Miss Sandra Lynn Trainor will become the bride of Richard Lee Arlington on July 20 at a ceremony to be performed at the Outdoor Chapel, Lake Tahoe. Rev. Gordon C. Ashbee will officiate.

The noon wedding will be followed by a luncheon reception at Squaw Valley Lodge. Mrs. Fred Links, Jr., of Sacramento is the matron of honor, and Mr. Don Bickford of Whittier, is the best man. Donald Arlington, brother of the groom and Walter E. Trainor III, brother of the bride will be the ushers.

The bride-elect has chosen a street-length white lace dress trimmed with white satin cording. The traditional veil is replaced by a wide picture hat of net and lace to match the dress. A white Bible with orchids and lily of the valley streamers will complete the bridal ensemble. The bride's mother will be in navy blue lace with pink accessories. The mother of the groom will wear a pink cotton satin dress with princess lines and white and pink accessories.

Miss Trainor is the daughter of Mrs. Francis H. Snyder of Truckee (formerly of Sacramento). She is a graduate of C. K. McClatchy High School in Sacramento and attended San Jose State College as a psychology-philosophy major. In college she was a member of the Delta Gamma Sorority.

Arlington is the son of Mr. and Mrs. J. Lee Arlington of Fremont, and is a graduate of Washington Union High School in that town. Last month he was graduated from San Jose State College with honors and was chosen outstanding senior of his class. In college he was a business administrator major and a member of the Alpha Tau Omega Fraternity.

The couple plan to make their home in Truckee, until Arlington reports to Fort Bliss, Texas, as a lieutenant in the armed forces.

Visit Pastor

Ralph Russe and his wife and children, visited at the Methodist parsonage during the past week. Mrs. Russe is a daughter of Rev. Aubrey H. Clark. Nancy Ann played a piano selection in church. Nancy and her brother, Edward, are two of Pastor Clark's grandchildren.

The Russe family greatly enjoyed their stay in Truckee, and their visits to Lake Tahoe, and Reno via Mt. Rose. They also had a wonderful fishing trip up in the Yuba Pass county, and came home with 19 fine rainbow trout.

Kearneys Here—

Mr. and Mrs. Philip Kearney and three children of Corte Madera stopped here to see friends enroute home from a trip to the Grand Canyon. Kearney is a former local resident.

Marquis Reunion—

Mrs. Mary Marquis of Reno wrote local friends that she has returned from a vacation at Eugene, Ore., where she visited at the home of a son and two other sons and families, arrived from the Dakotas for a family reunion, their first in years. Adding to the event were two great-grand sons of Mrs. Marquis.

Scotts At Tahoe—

Mr. and Mrs. Ray Scott and daughters, Theo and Patricia of southern California are vacationing at Lake Tahoe. The Scotts have many friends in this region, made while he was manager of the Truckee branch of the Bank of America.

METHODIST CHURCH

Program for the Community Methodist Church and church school:

Sunday, July 21, church school at 9:45 a.m.

Morning worship at 11 a.m. Sermon theme: "The Great Essential."

A cordial welcome awaits you. Wednesday, choice practice. Thursday, commission of stewardship and finance at 8 p.m., in the church.

Friday, the Methodist Youth Fellowship invites you to a party from 7 to 10:30 p.m.

Pastor Clark invites you to phone Luther 7-3637, or visit him at the church office, or parsonage whenever you feel that a friendly chat will be helpful. He reserves the forenoons for study and work in the office unless there is some imperative need—elsewhere!

SAW TO BE GIVEN AWAY SATURDAY

Robert Wray, local Homelite chain saw dealer, announced the arrival in his shop at Tahoe City of two new Homelite chain saws—models 6-22 and EZ-6. Called the Homelite "Power Twins," both new chain saws have 6 horsepower engines—the EZ-6 is a direct-drive, 19 pound unit; the 6-22 is a gear-drive, 22 pound unit.

According to Wray, "the EZ-6 is reported to be the fastest, lightest, most powerful, direct-drive chain saw in the world. With 6 full horsepower, the EZ-6 will cut through 8-inch oak in four seconds, 18-inch pine in 12 seconds and bring down trees up to five feet in diameter. Its light 19 pounds are precision balanced for fast, easy cutting on any job, whether its harvesting woodlots, pruning trees, cutting fence posts, hedgerow or cord-wood."

On Saturday, Wray will present a new chain saw to some lucky winner. Anyone is privileged to sign up for the saw up to Saturday, Wray said.

Here for the summer are Mr. and Mrs. M. F. Mills of Sacramento.

Can Can Is Featured At Capitol Music Circus

The talents of some of the finest contemporaries in the field of American musical comedy are combined in this week's Sacramento Music Circus production to create a delightful fantasy set many miles away and more than half a century ago.

The show is Can Can, with music and lyrics by Cole Porter and book by the offbeat humorist, Abe Burrows. The locale is The City of Light, Paris, in the late 1800's, and Music Circus goes are finding themselves transported there with ease as they are caught up in the gay atmosphere of the presentation.

Daughter Engaged

KINGS BEACH—Mr. and Mrs. Elmer T. Hall entertained recently with a family dinner party in their summer home at Kings Beach, announcing the engagement of their daughter, Miss Gayle Hall, to join Francis Kelly, son of Mr. and Mrs. John F. Kelly of Inglewood.

Among the guests was C. M. Blabon, grandfather of the bride-elect and prominent building contractor.

Sisters Visit—

Mrs. Anna Blau of Tahoe Vista had an enjoyable visit for two weeks with her sister, Mrs. Sophia Appers. The latter left for her home at St. Louis.

Supper And Cards—

Mrs. Robert Leamon was hostess Monday evening when members of her card club group enjoyed barbecued steaks, al fresco. Games concluded the affair.

by EDGAR RICE BURROUGHS

JACK ADAMS HAS JUST SURPRISED TARZAN BY GIVING THE ILLUSION THAT HE 'TRANSFORMED' FROM A PANTHER INTO A MAN.

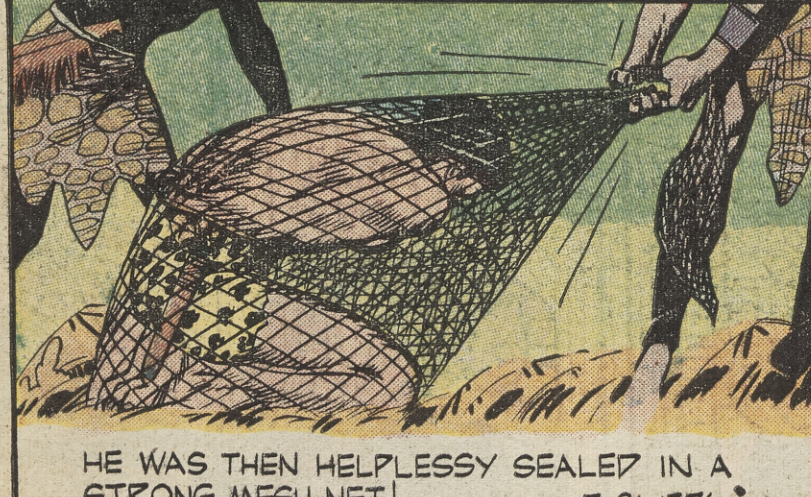

ADAMS JEERED AT THE APE-MAN. "TO PRESERVE MY SECRET, I FIND IT NECESSARY TO KILL YOU-- IMMEDIATELY--"

"O CHIEF, THIS MAN IS AN ENEMY AND WILL BE EXECUTED ACCORDING TO THE CUSTOM OF YOUR PEOPLE-- DEATH BY FROWNING!"

RELUCTANTLY, YET OBEDIENTLY, THE NATIVES LED TARZAN TO THE STEEP BANKS OF A ROARING RIVER.

HE WAS THEN HELPLESSLY SEALED IN A STRONG MESH NET! 7-21-1376

"NOW HEAR THE COMMAND OF THE DEVIL!" ADAMS SCREAMED JUBILANTLY. "THROW HIM OVER THE SIDE!"

Abbie and Slats

Featuring BATHLESS GROGGINS by RAE BURN VAN BUREN

AN ARCHEOLOGICAL EXPEDITION IS HOT ON THE TRAIL OF THE LOST HEAD OF THE STATUE OF THE RECENTLY UNEARTHED PERFECT MAN!

KEEP DIGGING, PROFESSOR--IT MAY BE THE LOST HEAD!

I'VE (GASP) HIT SOMETHING!

BY THIS TIME THE SANDS OF THE DESERT HAVE SWALLOWED UP MY UNCOMPARABLE CAST OF YOUR (SHUDDER) UNIQUE HEAD!

STOP SLOBBERIN' BUSTER. IT AIN'T THE FIRST TIME I LOST MY HEAD!

AT LAST--THE PERFECT HEAD FOR THE PERFECT MAN! THE WORLDS OF ART AND SCIENCE WILL REJOICE TO HAVE AT LAST DISCOVERED THE MALE COUNTERPART OF THE VENUS DE MILO!

DON'T TOUCH IT--DON'T (SHUDDER) EVEN BREATHE ON IT! WE MUST SEND IT BACK TO THE MUSEUM EXACTLY AS WE FOUND IT!

A FEW WEEKS LATER

HAVE OUR MOST SKILLED MEN CLEAN AND PREPARE THIS PERFECT HEAD FOR (SIGH) ITS UNION WITH ITS PERFECT BODY!

AND--LATER

PROFESSOR--ABOUT THAT HEAD--

NOTE THE LOOK OF PUZZLED BEWILDERMENT ON THE MAN'S FACE. NO DOUBT COMING FACE TO FACE WITH MALE PERFECTION HAS TEMPORARILY STUNNED HIM!

LABORATORY

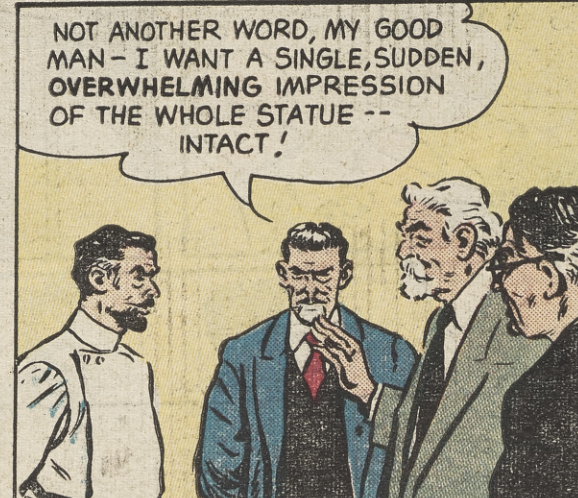

I'M STUNNED ALL RIGHT--I JUST SAW THE HEAD--ALL CLEANED UP AND--

7-21

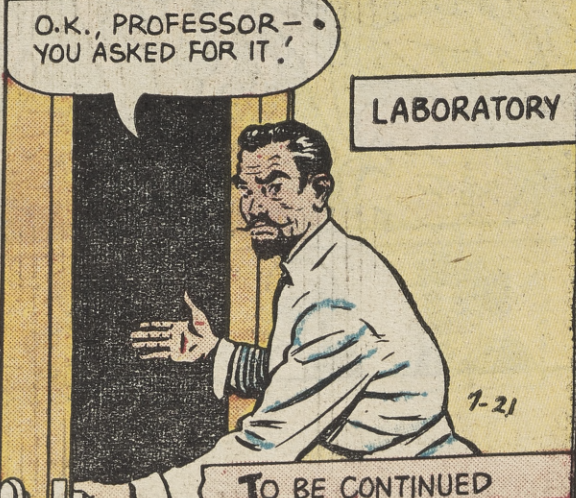

NOT ANOTHER WORD, MY GOOD MAN--I WANT A SINGLE, SUDDEN, OVERWHELMING IMPRESSION OF THE WHOLE STATUE--INTACT!

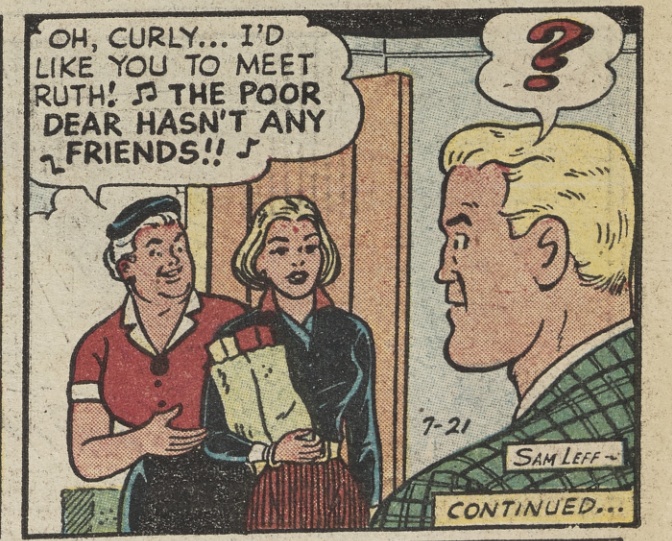

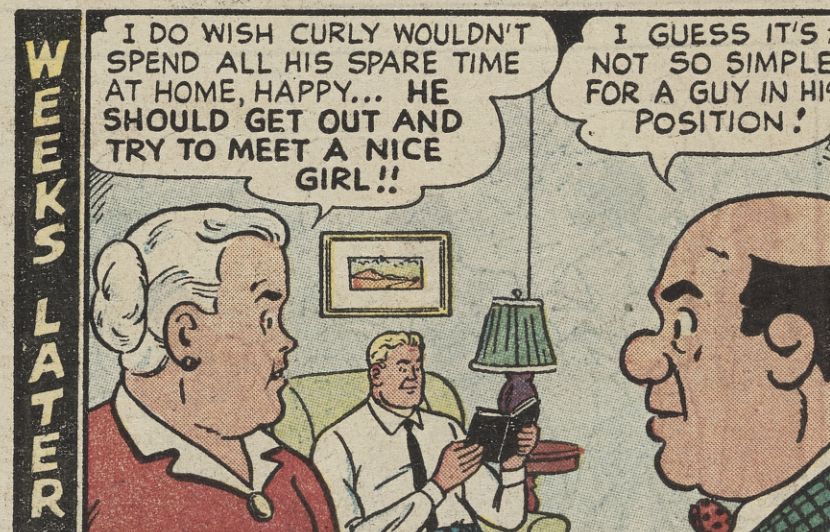

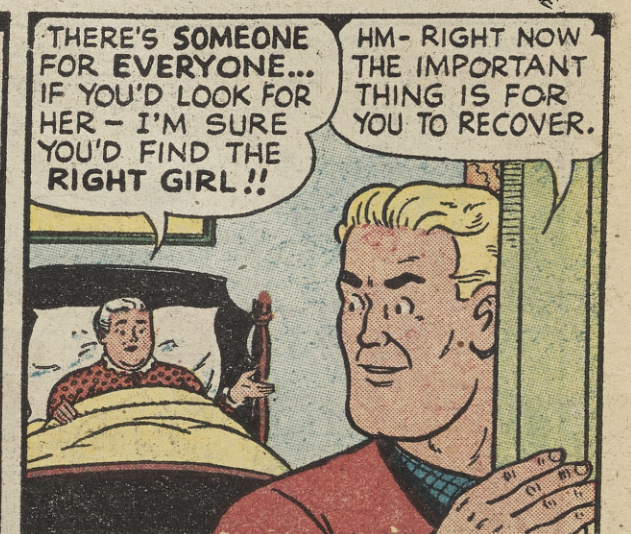

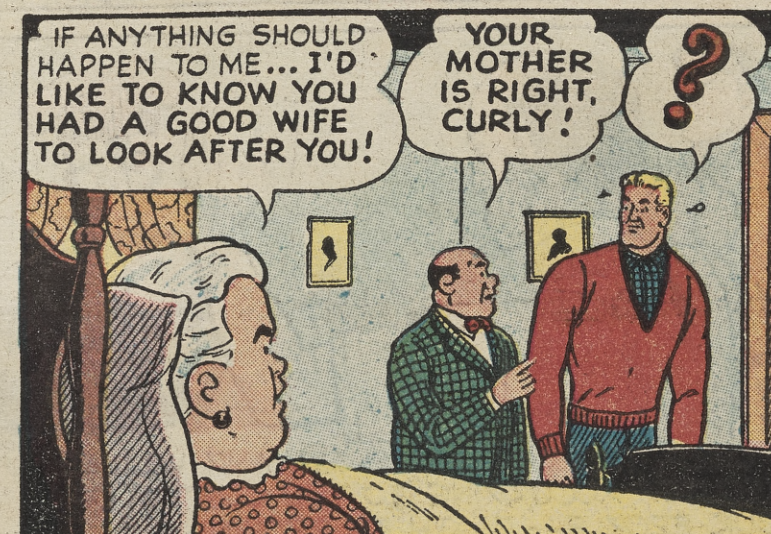

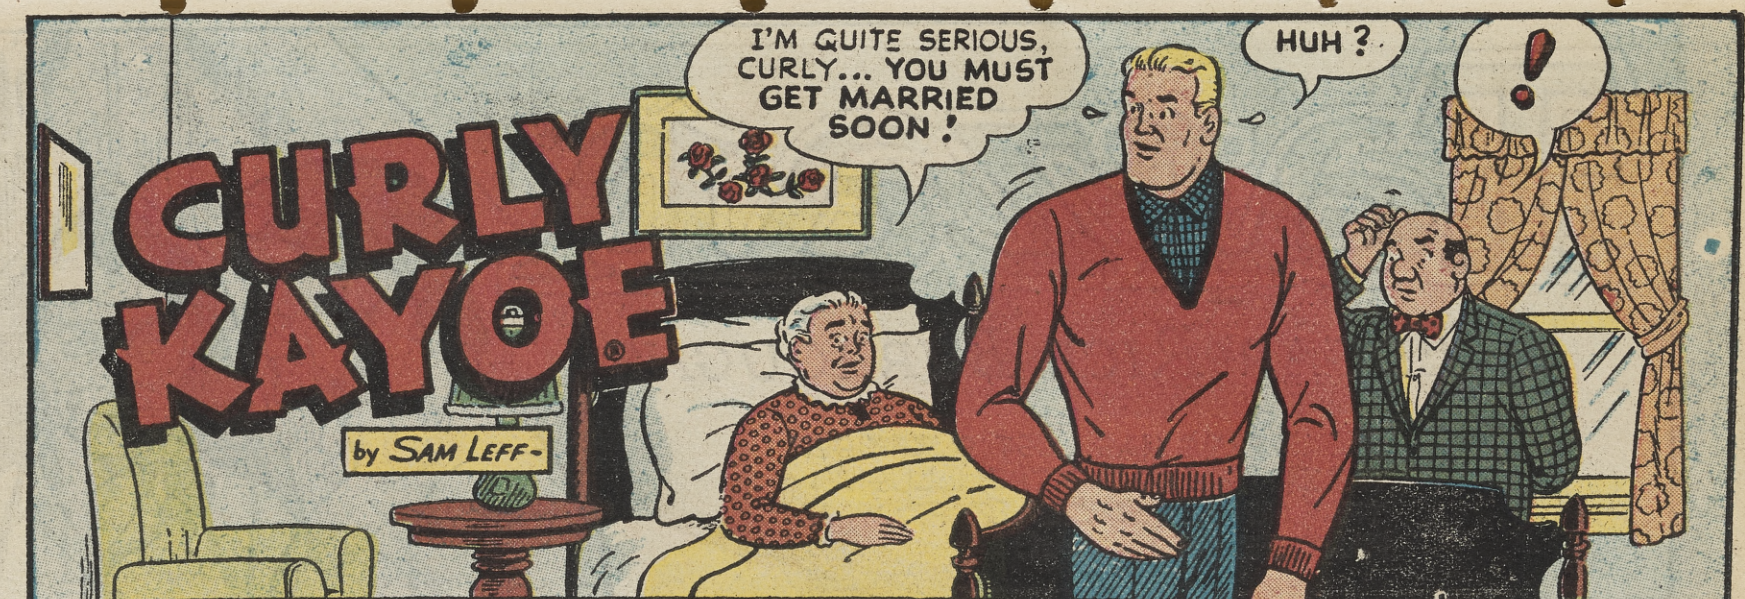

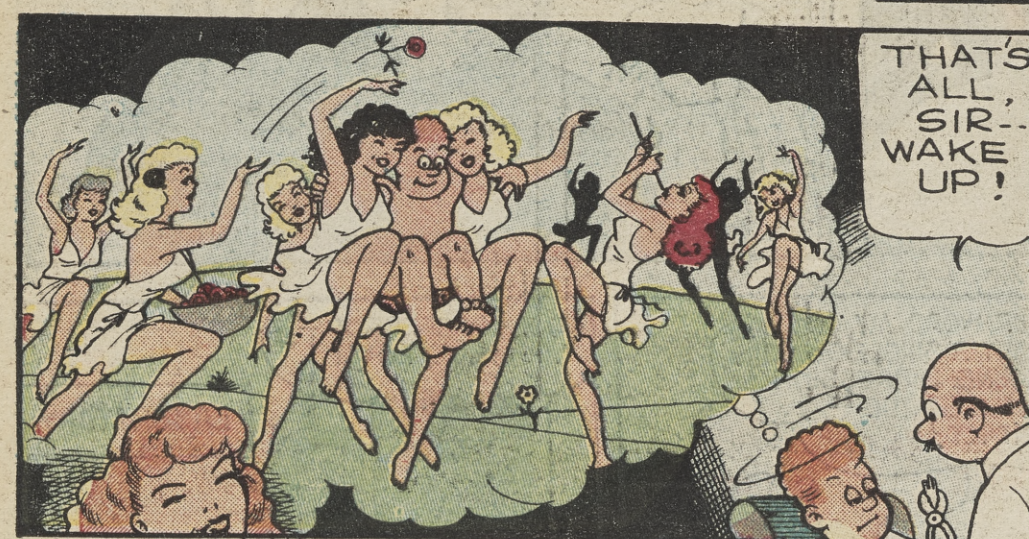

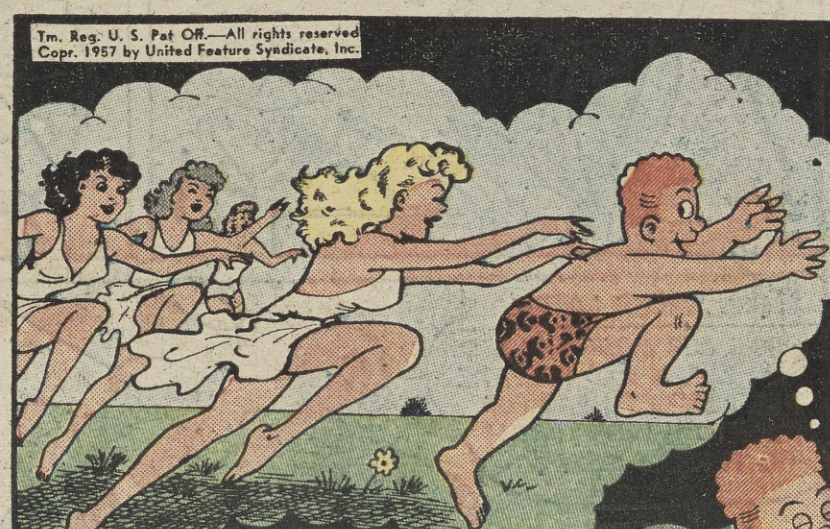

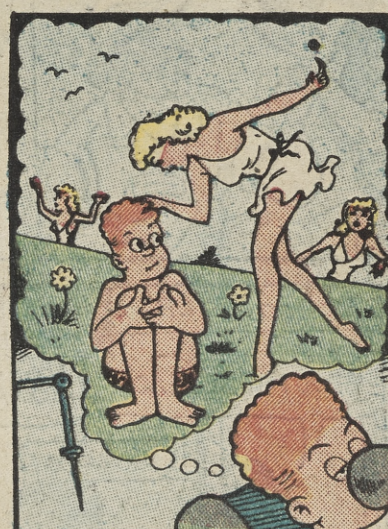

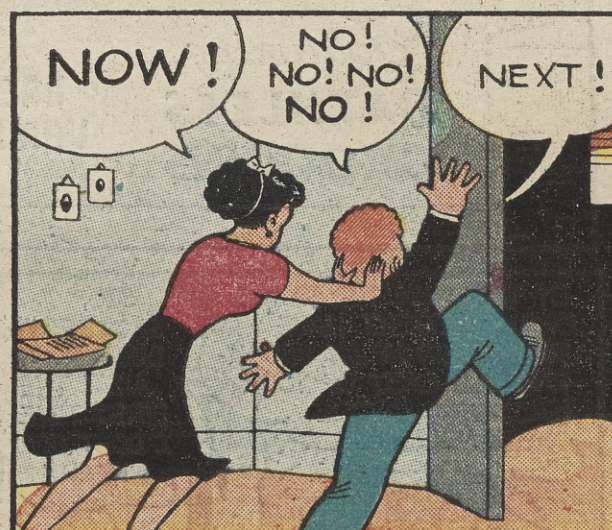

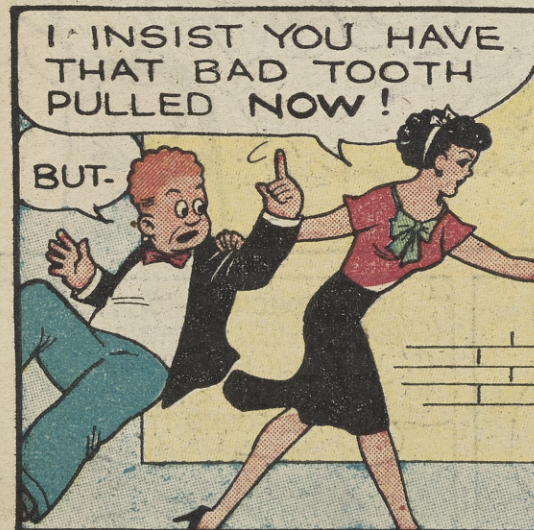

O.K., PROFESSOR--YOU ASKED FOR IT!

AND NOW--WE'LL NEED
A COUPLE OF KIDDIES
FOR OUR SHOW--

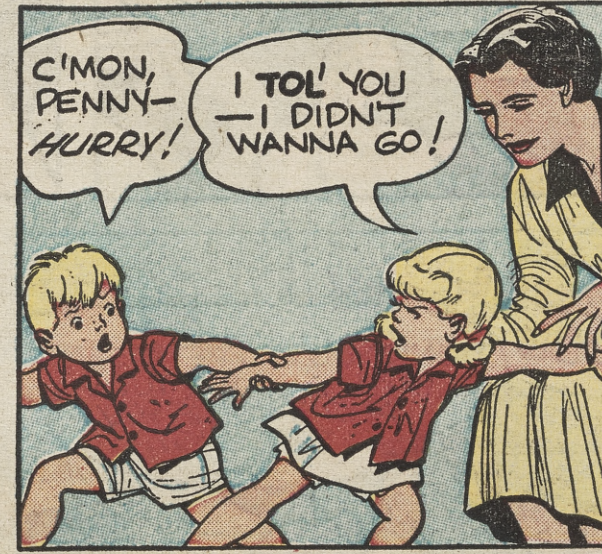

C'N WE GO, MOM?

IT'S UP TO THE
MAN TO CHOOSE
WHOM HE WANTS--

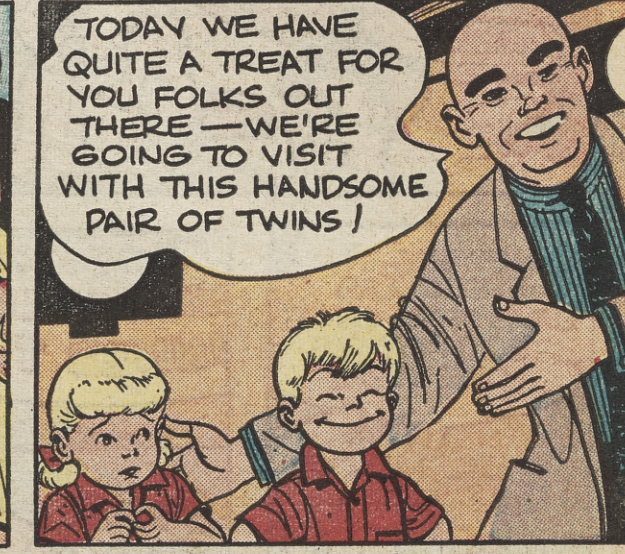

WELL! IT LOOKS LIKE
WE HAVE TWINS TO
INTERVIEW TODAY!
--COME RIGHT UP
HERE, PLEASE!

DAT!

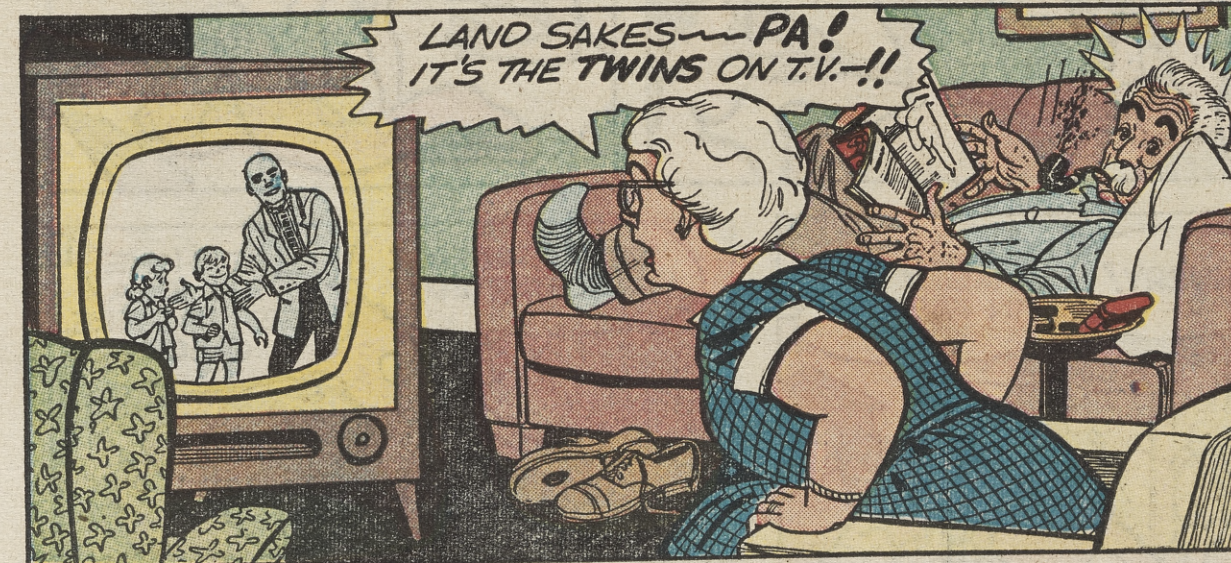

C'MON,
PENNY--
HURRY!

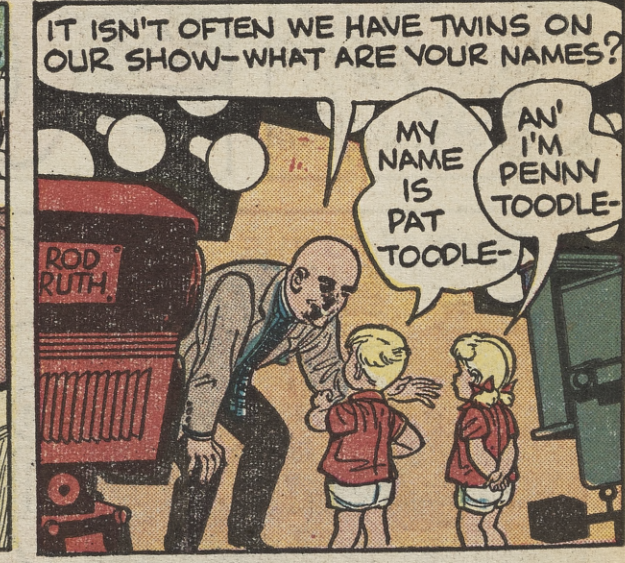

I TOL' YOU
--I DIDN'T
WANNA GO!

TODAY WE HAVE
QUITE A TREAT FOR
YOU FOLKS OUT
THERE--WE'RE
GOING TO VISIT
WITH THIS HANDSOME
PAIR OF TWINS!

LAND SAKES--PA!
IT'S THE TWINS ON T.V.--!!

IT ISN'T OFTEN WE HAVE TWINS ON
OUR SHOW--WHAT ARE YOUR NAMES?

MY NAME
IS PAT
TOODLE--

AN I'M
PENNY
TOODLE--

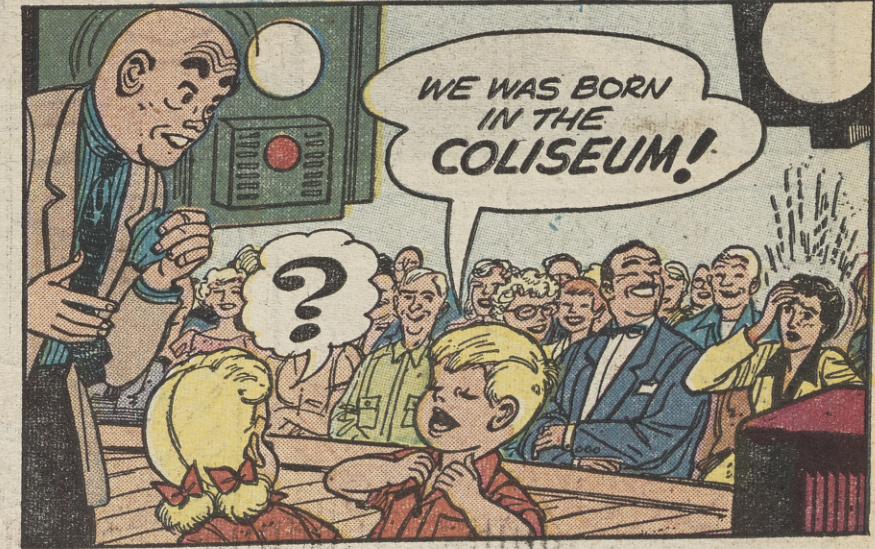

AHH! THE TOODLE TWINS!
AND WHAT IS YOUR DADDY'S NAME?

HIS REAL NAME
IS "TOM"--BUT MOM
CALLS HIM "HONEY"!

...AND WHERE
WERE YOU
BORN?

IN A HOSP--
SHHH! WE DON'T
WANNA
BE LIKE
EVERYONE
ELSE--!

WE WAS BORN
IN THE
COLISEUM!
